KENNEDY WINS ON FIRST BALLOT

Senator John F. Kennedy, of Mass., handily won the nomination as Democratic candidate for President, at last night's national convention in Los Angeles. Kennedy won the nomination on the first ballot, outdistancing scattered votes for "favorite sons" and Senator Lyndon Johnson, the runner-up. Today's convention session will nominate a Vice-Presidential candidate, and opinion seems to lean to the belief that Sen. Stuart Symington, of Missouri, will be nominated. Virginia delegates at the convention cast the Old Dominion ballots for Sen. Johnson.

DEATHS DECLINE ON VA. HIGHWAYS

Richmond, Va.- Despite an increase of about 1.7 per cent in traffic volumes during the first six months of 1960, Virginia traffic deaths dropped from the 373 for the first half of 1959 to a tentative 350 for the similar period this year, Colonel C. W. Woodson, Jr., Superintendent of State Police and Chairman of the Governor's Highway Safety Committee, announced today.

In making this report, Colonel Woodson noted that it was the lowest total of deaths for the first half of a year since the 348 of 1954. He noted further that traffic volumes for the 1954 period were about 8 per cent lower than they were this year.

Heavy decreases were occasioned during January and March and there, he said, owe much to the inclement weather of these two months. "While adverse weather is a very definite and dangerous traffic hazard," he continued, "many people simply do not drive on such occasions, and many others make allowance for adverse driving conditions."

Revise Ruling On Town Collections

To the Citizens of
The Town of Appomattox:

A special meeting of the Town Council was held on Monday, July 11, at 7:30 P. M. in the Town Office, for the purpose of giving further consideration to the trash and garbage collection.

Your town officials and employees are most interested in doing everything within their power to see that the trash and garbage is collected in an efficient manner and that you fine people are rendered the service you desire.

Beginning Thursday, July 14, all trash and garbage will be collected twice a week, on Mondays and Thursdays, and this service will continue through the month of August. In order to run the garbage collection twice a week, it will be necessary that everyone use a garbage can with a tight-fitting top, and not exceeding a thirty-gallon capacity. I realize at the present time that all garbage cans do not conform to these regulations. In order not to work a hardship on anyone, the employees will collect all the trash and garbage regardless of the container on Thursday, July 14 and again on Monday July 18, but beginning on Thursday, July 21st., only garbage and trash in cans that conform to the regulations stated above will be collected. I plead with all of you courteous and cooperative citizens to give this matter your immediate attention. Should there be any question, please feel free to call your Town Manager.

The Jaycees are trying to complete their report on the survey pertaining to the Zoning Ordinances for the town. You will receive a questionnaire in the mail within the next few days and I would certainly appreciate it if your would give the same study by Sunday, July 23, a member of the Jaycees will be in your home to talk with you and pick up the questionnaire.

Your continued whole - hearted cooperation will be greatly appreciated by everyone. Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.
